

Find Us (Details correct as of September 2015)

LQM is based in the Sir Colin Campbell Building at The University of Nottingham Innovation Park, part of the University's Jubilee Campus. A location map can be obtained [here](#); the Sir Colin Campbell building is numbered 12 on the map. Upon arrival at the Sir Colin Campbell building, please sign in at the reception located at one end of the overpass bridge and a member of the team will come and meet you.

Our training courses are normally held in one of the training suites within the Sir Colin Campbell Building. However, delegates should consult their joining instructions as other venues are also used. If no special instructions are given delegates should report to reception as above, where you will be directed to the training venue or met by an LQM team member.

By Bicycle

Nottingham has safe, well signed cycle routes to both University campuses. Ensure that you follow signs to Jubilee Campus. Cycle racks are located just outside the main reception at the Sir Colin Campbell Building. We recommend that you remove all accessories and use a stout lock to secure your bicycle. Showers are available at our offices for all visitors. If you wish to avail yourself of this facility you should bring your own towel and toiletries, and ask a member of the LQM team for access upon arrival.

By Bus

The easiest way to access our offices is by bus; there are buses between our offices and Nottingham City Centre every 2-3 minutes during the daytime and frequently at other times as well. Trent Barton operates services Indigo, i4, 18 and 21 from Broadmarsh Bus Station. Nottingham City Transport operates services 34, 35 and 36 from the Victoria Shopping Centre (stops W1, J3 and J4). A single journey costs £2 on all buses.

On [Nottingham City Transport](#) an all-day ticket costs £3.50 whilst on Trent Barton a return ticket costs £3.90. A Kangaroo ticket, valid on all buses, trams and trains within Greater Nottingham, costs £4.50 and can be purchased on board all buses and at tram stops. Nottingham City Transport bus drivers do not give change. All other bus operators happily issue change, but having the correct fare saves time.

All buses have screens showing the name of the next stop on board. Please consult this map, which has bus stops marked, for more details.

If you are travelling away from Nottingham City Centre you should get off the bus at the Faraday Road bus stop. Walk down the hill away from the City Centre and cross the road at the pedestrian crossing opposite the Jaguar car showroom. Take the next right onto Triumph Road. Continue down Triumph Road until you see a large silver building spanning the road. This is the Sir Colin Campbell building. Reception is located on the left hand side of the road.

If you are travelling towards Nottingham City Centre you should get off the bus at the Triumph Road bus stop. Walk towards the City Centre and take the next left onto Triumph Road. Continue down Triumph Road until you see a large silver building spanning the road. This is the Sir Colin Campbell building. Reception is located on the left hand side of the road.

The walk from each bus stop to our offices is approximately 5 minutes.

If you are travelling from Derby the [Red Arrow](#) express coach service runs every ten minutes during Monday to Saturday daytimes from Derby Bus Station (Bay 5). You should alight at QMC (Main Entrance), walk along Derby Road towards the City Centre and turn left onto Triumph Road. Continue down Triumph Road until you see a large silver building spanning the road. This is the Sir Colin Campbell building. Reception is located on the left hand side of the road. The coach journey from Derby to QMC takes approximately 25 minutes, and it is then a 5-10 minute walk to our offices from QMC.

By Car

The route to our offices from the M1 motorway becomes quite congested at times. Please allow adequate time for your journey. You may wish to consider travelling by public transport or making use of one of Nottingham's park and ride facilities.

If travelling southbound on the M1 you should leave at junction 26. Follow signs for the A610 towards Nottingham. Continue following the A610 towards Nottingham for two roundabouts. 1 mile after the second roundabout, turn right onto the A6514 (Western Boulevard). Continue straight until the next roundabout. Take the first exit at this roundabout, and then take the next right onto Triumph Road. Do not turn right into the barrier protected entrance to Jubilee Campus; the Triumph Road junction is a fully signalled road junction with large advertising boards on the corner. Continue along Triumph Road until you see a large silver building spanning the road in front of you. This is the Sir Colin Campbell building. Do not pass under this building; take the last left hand turn before the building into the car park signposted "Innovation Park Permit Holders and Visitor Parking only".

If travelling northbound on the M1 you should leave at junction 25. Follow signs for the A52 towards Nottingham. Continue following the A52 towards Nottingham for three roundabouts. At the fourth roundabout continue straight on onto the A6200 following signs for City Centre. Drive past the Queens Medical Centre (QMC) on your right. Turn left into Triumph Road just before the Jaguar Car showroom. Continue down Triumph Road passing under a large silver building. This is the Sir Colin Campbell Building. Turn right into the car park signposted "Innovation Park Permit Holders and Visitor Parking only".

Detailed directions from any UK origin can be obtained via the map on our [website](#).

Parking is located immediately adjacent to the Sir Colin Campbell Building, signposted "Innovation Park Permit Holders and Visitor Parking only". Visitors and course delegates must park in the visitors section of the car park. The car park is marked IPD on this map. Overflow parking is available at 9 Triumph Road, marked PD on this map. Both car parks are pay-and-display with coin only machines. Charges are currently £7 per day. Parking tickets are issued by Nottingham University for incorrect parking so please take care.

If you are using satellite navigation you can use the post code NG7 2TU. We also recommend that you download/print a copy of this map to help you locate the appropriate car parking.

By Plane

East Midlands Airport is located approximately 13 miles from our offices. The Skylink bus service runs every 20 minutes from the Airport Bus Station to Nottingham. You should alight at the Lace Street bus stop. From here our offices are a 15-20 minute walk away. Alternatively you can catch either the Indigo or 18 bus services from this bus stop heading towards Nottingham which stop at the Triumph Road bus stop, a 5 minute walk away from our offices. The Skylink and Indigo services operate 24 hours a day, seven days a week, with a reduced frequency in the evenings and overnight. Taxis are available at the airport at an approximate cost of £25. Journey times vary due to traffic, but are generally between 30 and 60 minutes.

Birmingham Airport is located approximately 60 miles from our offices. From the airport you should follow signs to Birmingham International Station. From here trains run frequently to Birmingham New Street, where services to Nottingham and Beeston are available. A taxi from Birmingham airport to our offices usually costs around £60 and takes around 70 minutes.

Heathrow Airport is located approximately 130 miles from our offices. From Heathrow you should take the London Underground Piccadilly Line (which serves all terminals) to Kings Cross St Pancras. From here you can access St Pancras railway station, where East Midlands Trains operate services to Nottingham and Beeston. A taxi from Heathrow airport to our offices usually costs around £150 and takes between 2 and 3 hours depending on traffic conditions.

By Train

Nottingham railway station is located about 25 minutes away from our offices.

Nottingham is served by trains from London St Pancras International and many other UK destinations. Upon arrival at Nottingham our offices can be reached by tram or bus.

If you wish to travel by tram you should follow the internal signage within the station, and board a tram heading towards Toton Lane. You should alight at the Gregory Street tram stop, and follow the directions above to reach our offices.

Buses also run frequently to our offices; together the [Indigo](#), [i4](#), [18](#) and [21](#) services offer a bus every 3-5 minutes. From Nottingham station you should leave via the main entrance, turn right and walk down the road to Broadmarsh Bus Station, which is a two minute walk from the station entrance. All these buses stop at the Faraday Road bus stop; directions from this bus stop to our offices are given above.

Some trains that serve Nottingham also serve Beeston railway station. From Beeston bus number 18 runs every thirty minutes to the Triumph Road bus stop. Buses will show a destination of Nottingham. Alternatively a short walk into the centre of Beeston gives access to the tram. You should catch a tram heading to Hucknall and alight at Gregory Street, then follow walking directions above to access our offices.

If you arrive at Nottingham or Beeston by train and wish to use the tram and/or bus to access our offices a Plusbus ticket may be of use to you. This ticket can only be purchased from staffed ticket offices or on board trains on production of a valid train ticket; it cannot be purchased on board buses. The ticket gives unlimited travel on the Nottingham tram network and unlimited bus travel within the central area, which includes our offices. A Plusbus ticket costs £4.20 or £2.80 if you hold a national railcard.

There is a taxi rank at Nottingham station. It is located on Station Street, opposite Loxley House. Taxis are sometimes available at Beeston station, but if none are present you can telephone Cable Cars on 0115 9229229.

By Tram

Our offices are located a 10-15 minute walk away from the Gregory Street tram stop. This tram stop is on the Toton Lane – Hucknall line. Further information can be found at www.thetram.net. The Gregory Street tram stop is located on Lenton Lane. Walk towards the main road in front of you (the A6005), passing Priory Church on your left. Cross the A6005 and continue onto Gregory Street. The next major road you will come to is the A6200. Turn left onto the A6200 (Derby Road) and cross the road at the pedestrian crossing opposite the Jaguar car showroom. Take the next right onto Triumph Road. Continue down Triumph Road until you see a large silver building spanning the road. This is the Sir Colin Campbell building. Reception is located on the left hand side of the road.

A single tram ticket costs £2.20. An all-day ticket costs £4. You must purchase your ticket from a ticket machine (at every tram stop) before boarding the tram. Kangaroo tickets, explained above, are valid on Nottingham trams and available for purchase from tram stop ticket machines.

The tram can be accessed from the Nottingham train station and park and ride.

Park and ride

Nottingham has 9 park and ride sites available for use, served by both buses and trams. The site which would work best for you depends on your direction of travel.

Toton Lane

NG9 7JA

Allow 35 minutes from Toton Lane to our offices

Situated only minutes from junction 25 of the M1, Toton Lane is a useful option for those wishing to avoid the congested A52. Upon arrival at Toton Lane you should take a tram bound for Hucknall. Get off at Gregory Street and follow the instructions below to reach our offices.

From Gregory Street tram stop to our offices:

The Gregory Street tram stop is located on Lenton Lane. Walk towards the main road in front of you (the A6005), passing Priory Church on your left. Cross the A6005 and continue onto Gregory Street. The next major road you will come to is the A6200. Turn left onto the A6200 (Derby Road) and cross the road at the pedestrian crossing opposite the Jaguar car showroom. Take the next right onto Triumph Road. Continue down Triumph Road until you see a large silver building spanning the road. This is the Sir Colin Campbell building. Reception is located on the left hand side of the road.

Clifton South – Tram

NG11 8BF

Allow 40 minutes from Clifton South to our offices

Located just off the A453, Clifton South is recommended for people travelling northbound on the M1 and/or A453. Upon arrival at Clifton South you should take a tram bound for Phoenix Park, and get off at Nottingham Station. Cross the tracks and take a tram bound for Toton Lane. Get off at Gregory Street and follow the instructions below to reach our offices.

Hucknall – Tram

NG15 7TD

Allow 50 minutes from Hucknall to our offices

Close to junction 27 of the M1, Hucknall is ideal for those travelling from the north of England. Upon arrival at Hucknall you should take a tram bound for Toton Lane. Get off at Gregory Street and follow the instructions below to reach our offices.

Phoenix Park

NG8 AS

Allow 45 minutes from Phoenix Park to our offices

Another option for those travelling southbound, Phoenix Park is conveniently located close to junction 26 of the M1, and it is just off the A610. Upon arrival at Phoenix Park you should take a tram bound for Clifton South, and get off at Nottingham Station. Take a tram bound for Toton Lane from the same platform. Get off at Gregory Street and follow the instructions below to reach our offices.

A single tram ticket costs £2.20. An all-day ticket costs £4. You must purchase your ticket from a ticket machine (at every tram stop) before boarding the tram. Kangaroo tickets, explained above, are valid on Nottingham trams and available for purchase from tram stop ticket machines. All park and ride sites have height restrictions. These restrictions are generous, and most cars and small vans will fit, although accessories such as roof boxes or beacons may cause problems.
